

Product information

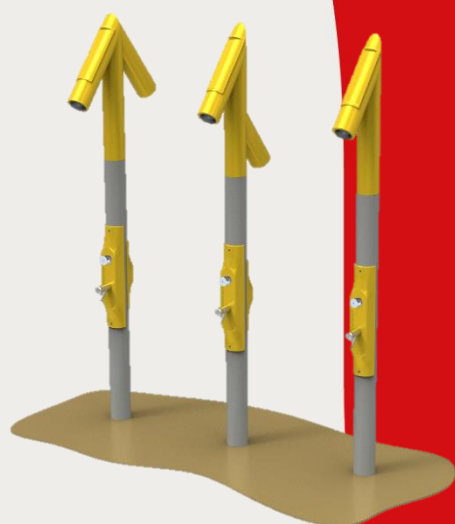

Sandy

PB's beach/outdoor shower is a vandal-resistant shower solution for the beach or poolside. The shower is available in various colours and models, standard with an integrated Legionella filter.

The basic model is equipped with a single shower head (type A). In addition, Sandy is available in a version with a double shower head (type B) and in a version with a special children's shower (type C). The shower turns off automatically after about 10 seconds as standard.

The beach shower is available in various colours, the primary colour is always grey and the secondary colour is optional. The shower is water-saving, vandal-proof and Legionella-safe.

With bigger order quantities, it is also possible to adjust the color of the base (grey in picture).

Details

Supplied including

- Faucet tap
- Legionella filter
