Seccua Urspring YFF

Don't want to deal with chemicals, but still want clean water? Then the Urspring is exactly what you need. This replacement filter – exclusively available from PB Your Filter Factory – offers top-quality water purification without compromising on capacity.

Thanks to the smart innovations of our engineers, the filter has become more compact, yet it still performs with the same power. Moreover, the new, stronger membrane increases durability, so you can enjoy clean water for longer.

YOUR FILTER FACTORY

Details

- Applicable for water up to 40C°| 104°F.
