YOUR FILTER FACTORY

Revision 18-02-2026

PRODUCT INFORMATION

DEAVX+ BASE

The DeavX+ Base is the ultimate solution for clean and safe drinking water, even at higher temperatures. This ultrafiltration module uses advanced membrane technology to effectively remove bacteria and other micro-organisms from the water.

With KIWA and KTW-BWGL certification, the DeavX+ Base meets the highest quality and safety standards in the Netherlands and Germany, making it ideal for drinking water pipes and various water treatment solutions.
